DIEGO LAINFIESTA

Data Analytics & Strategic Management Guatemala City, Guatemala | +502 4679 1350 | diegolainfiesta@gmail.com | LinkedIn

PROFESSIONAL SUMMARY

Strategic Executive and Data Architect with 19 years of experience driving operational excellence through mathematical modeling, economics, and advanced data analytics. Proven track record in C-suite leadership, managing $162M+ budgets and delivering multi-million dollar savings through digital transformation and supply chain optimization. Specialized in bridging the gap between complex technical infrastructure and high-level business strategy.

SKILLS

- **Programming & Data:** Python, R, SQL, Java, MATLAB
- **Infrastructure & Cloud:** AWS (Lambda, S3), Snowflake, MLFlow, Airflow, ETL Pipelines.
- **Operations & ERP:** SAP (MM & PP), MES Systems, Inventory Management, Logistics.
- **Methodologies:** Lean Six Sigma, Project Management, HSEQ (ISO 9001, 14001, OHSAS 18001).
- **Languages:** Spanish (Native), German (C2/Fluent), English (C2/Fluent).

WORK EXPERIENCE

EPM – Guatemala CEO AMESA & IDEAMSA | Supply and Services Manager | Nov. 2024 – Present

- **Engineered an end-to-end data pipeline and inventory management system,** driving a **$5M (9%) reduction** in inventory overhead while increasing service levels by 16%.
- **Architected a dynamic pricing pipeline** utilizing data-driven insights to scale profit margins from **29% to 42%**, resulting in a **$1.1M USD** revenue increase.
- **Direct the strategic planning and execution of the annual acquisition plan,** managing a yearly procurement budget of **$162M USD**.
- **Serve as General Manager for a corporate group with $22M USD** in annual revenue, overseeing electrical material distribution, warehousing, and real estate development.
- **Negotiate high-value contractual terms** and supply agreements, optimizing international import processes to ensure cost-efficiency and quality standards.
- **Spearhead physical and electronic security strategies** for critical electrical infrastructure to safeguard strategic corporate assets.

ROCHE – Mannheim, Germany Senior Project Lead: Data Analytics & Digital Transformation | Jun. 2018 – Nov. 2024

- **Directed the Analytics Strategy for Diagnostics Mannheim,** overseeing complex SAP R/3 integrations and large-scale ETL digitalization projects.

- **Architected a data analytics pipeline and executive dashboards** to monitor process order entry and fulfillment for a **€500M/year portfolio**, establishing 100% end-to-end visibility.
- **Developed a production simulation platform** using a graph-based model to map 1,600 end-products and 7,000 raw materials; awarded 1st place in the "Act" category for COVID-19 resource agility.
- **Deployed a suite of optimization tools** (Production Light MES, MTTR/MTBF, Object Tracking), resulting in a 10% reduction in production lead times.
- **Modeled econometric scenarios** to drive executive decision-making and served as the primary liaison between regional operations and corporate Data Science divisions.

HEALTHCARE.COM – Guatemala Sr. Data Scientist (external) | Oct. 2021 – Feb. 2023

- **Implemented end-to-end Machine Learning solutions** and deployed a data quality observability platform to ensure model reliability and pipeline integrity.
- **Developed a customer classification system for 15M+ shoppers,** providing marketing teams with actionable behavioral insights and advanced segmentation.
- **Engineered a multi-tier product recommendation engine,** directly driving a 10% increase in total revenue and improved profit margins.

ENERGUATE – Guatemala Manager (Purchasing, Logistics, HSEQ, Transportation) | Jul. 2008 – Aug. 2017

- **Managed annual acquisitions of $53M USD,** achieving consistent annual savings of 7-10% ($4M–$5M USD).
- **Improved operational efficiency** by increasing warehouse fill-rates by 29% and reducing transport budgets by 15%.
- **Led HSEQ strategies**, achieving a 100% reduction in fatal accidents and a 62% decrease in non-fatal accident frequency.

EDUCATION

- **Master in Data Engineering** | Jacobs University, Germany | *Cum Laude*
- **Master in Applied Economics & Business Administration** | Del Valle University & Texas A&M | *Cum Laude*
- **Engineering in Chemical Engineering** | San Carlos University, Guatemala | *Cum Laude & Francisco Vela Award (No.1 Engineering Graduate Award)*
